NEW ATTORNEY GENERAL.

The Governor of Jersey to be Appointed.

HE STOLE ONE HUNDRED HORSES

Executed for the Murder of His Wife —The Horse Show in Chicago Did Not Pay.

By Wire To THE TELEGRAM.

Washington, Dec. 3.—The President has offered the position of Attorney General to Gov. John W. Griggs, of New Jersey, who announced today that he will accept. He will be named soon after McKenna is nominated to the supreme bench. Vice President Hobart brought about the offer to Griggs.

HE STOLE MANY HORSES.

By Wire to THE TELEGRAM.

Chicago, Dec. 3.—Fred Ruyprecht, Jr., arrested here on a charge of horse stealing, is known as the "flying horse thief." He has stolen more than a hundred horses in the past year.

MEDIÆVAL EXECUTION.

By Wire to THE TELEGRAM

Wethersfield, Conn., Dec. 3—Giuseppi Fienda, who killed his wife and placed her on the railroad track near East Norfolk, was hanged here early this morning. The execution was almost mediæval. His accomplice Imposino was sentenced to be hanged two weeks from today.

HORSE SHOW COSTLY.

By Wire to THE TELEGRAM.

Chicago, Dec. 3—The official statements of the account of the horse show recently held here shows a deficit of $30,000. This is much larger than was generally supposed.

NOW'S YOUR CHANCE.

Telegram and Record Carriers are to Get a Pull.

The boys will all remember the late contest in which Masters Thomas S. Beall and Charlie Brockmann each won a suit of clothes. That was exciting and was watched with much interest.

Now Messrs. Matthews, Chisholm & Stroud, who are hustlers themselves, offer the carrier boys of The Telegram and those of The Record a chance to hustle.

A Golf combination suit will be given to the carrier who takes them the largest number of correct names and the street address of boys of this city, between 6 and 16 years of age, who have bought suits this fall, or those who contemplate doing so. The names of the firms from whom suits were bought is also required.

Read their ad and then get a hustle on you.

THE PLAY LAST NIGHT.

A Small But Merry Party Saw The Performance.

Owing to the rain there was not a large crowd at the Academy of Music last night, but those who were there enjoyed some rich comedy. "Cheek" was on the boards, and each part was entered into in earnest and played with snap.

The audience was highly entertained; not an objectionable feature was allowed to creep into the play. There were no smutty jokes or coarse specialties thrown into it to fill up. The plot was played straight through from start to finish. Tonight "The Sea Waif" will be put on.

This company is giving a grade of performances considerably above the average visiting this section. There has been only one performance given here this season which ranks with that given last night—R. E. Graham in "Who's Your Friend."

Mrs. Van Schaack's Vista of Lawsuits

Chicago, Dec. 2.—Mrs. Jack Van Schack threatens more law suits than ever, now that a decision has been rendered in Brooklyn annuling the $65,000 judgment she obtained against her wealthy father-in-law for the alienation of her husband's affections. A close friend of the young woman said today that she and her attorney, F. M. McCluskey, had agreed that it was best to have the Brooklyn judgment set aside, as there was ample ground for suits here.

Actions calling for damages aggregating $100,000 will be begun on grounds ranging from alienation of her husbands affections to libel.

Refreshing Minstrelsy.

Fields & Hanson's Minstrel Stars and Grand Concert Band will be the attraction at the Academy of Music next Wednesday. They will present a program of refreshing minstrelsy, that is to say, their performance is new, and is devoted solely to special features and timely surprises, while the entertainment in its entirety is "swept by ocean breezes" of genuine "1897" wit. A brand new curtain raiser, the newest thing in minstrelsy, is called, "An Evening with the Elks," and serves to introduce the entire organization in a series of song and story of recent issue. A recently added number, "The Golden Shower," is a positive novelty, and is described as a romance of the Kondyke, terminating with "The Dance of Dawson City's 400."

THEY HAVE RETURNED.

And There are Not so Many Cotton Tails Now in Chatham.

The Brooks hunting party have all returned from Chatham county, the home and dwelling place of the festive rabbit and quail. According to the figures given to us they killed 144 rabbits, 160 birds, 13 'possums and 1 coon.

No trouble to kill 'em in Chatham; that is their home and they are like the Chatham county populists—they refuse to leave, come to stay you know, and all you have to do is to walk up on 'em—the rabbits—in their homes and shoot 'em.

There is, however, one trouble about it and that is where to find them. Now this is rather funny, but in this they are not unlike the populists, for it takes a good hunter to find them when he's looking for them.

However, in the case of the rabbits, Andrew Brooks knows where they stay, and if you can go along with him you may be sure of your game, and there is no limit to the number.

An Estimate of the Conference.

A Raleigh correspondent of the Charlotte Observer estimates the conference in session there as follows:

It is conceded by many who are capable of judging that the North Carolina Conference is a body of men of unusually fine personnel. This is undoubtedly true, for it is seldom that one sees in a body of 300 men as many men of strikingly handsome faces and impressive bearing. Another striking feature of this Conference is the parliamentary ability of the body. The leading men are in every sense true lawyers of the Church. Their argumentative power is above the average and no business which requires any discussion whatever is passed over in a light manner. Every question before the Conference is considered thoughtfully and thoroughly. As in all bodies of this kind, both religious and political, there are certain men who are recognized as the leading speakers. In argument and discussion in this Conference, Revs. E. A. Yates, B. R. Hall, F. D. Swindell, R. B. John, J. N. Cole and J. C. Kilgo are looked upon as the leaders.

A VIGILANCE COMMITTEE

Attempts To Take Charge of Affairs in Prague.

MORE TROOPS SENT TO CHINA.

President's Mother No Better This Morning-Thorn Will Be Sentenced Unless a Stay is Granted.

By Cable to THE TELEGRAM.

Prague, Dec. 3—The city authorities the Bohemia National Associations, the Student's Associations and the Workingmen's societies met today and appointed a vigilance committee after which the committee informed the Stadthaler that its object was to secure order and safety for life and property. It also requested the Stadthaler to withdraw the troops but this he refused to do declaring that he was responsible for the maintenance of order.

MORE TROOPS FOR CHINA.

By Cable to THE TELEGRAM.

Berlin, Dec. 3—The naval department sent instructions to Kiel today to dispatch two more artillerymen with field pieces and fifteen hundred marines to China.

MRS. McKINLEY NO BETTER.

By Wire to THE TELEGRAM.

Canton, Dec. 3—There is but a slight change in the condition of the President's mother today. Dr. Phillips called early this morning and found the patient breathing heavily but other wise no worse than on yesterday.

The President is due to arrive here at 10:20 a. m. All the other members of the family who are not already here are on the way. The patient still has possession of her mental faculties and the doctor is constantly present.

THORN TO BE SENTENCED.

By Wire to THE TELEGRAM.

Long Island City, Dec. 3—Sheriff Doht says that Thorn will be sentenced to die in the electric chair, unless he receives a stay, during the week ending January the 24th.

Hacks to The Normal.

Vanstory's Hacks to the Normal tonight. Ten cents each way. Hacks leave Benbow and McAdoo Hotels at 7:20 and 7:40.

A PROSPERITY EXHIBIT.

Cargo of Cancelled Mortgages to The Omaha Exposition.

Topeka Kan., Dec 2—A plan to send a carload of cancelled Kansas mortgages to the Trans-Mississippi Exposition in Omaha next year as an evidence of prosperity in this State was perfected here today.

Charles Harris, a republican member of the Legislature, is the father of the idea. He presented it at a conference of representative republicans, and urged that it would be a good practical refutation of the "calamity talk" frequently indulged in by the populists.

An address will be issued to the people of Kansas urging them so to arrange their affairs as to pay off their mortgages before January the 1, thus enabling the promotors of the project to show to the world that Kansas is almost free from debt, and that it is all the work of one year of prosperity.

Disastrous Railroad Wreck.

Cleveland, Ohio, Dec. 1—A disastrous wreck occurred on the lake division of the Pittsburg and Western today. While running at full speed a south-bound train jumped the track at Chamblin's cut, and before it could be stopped, had crashed through the Clarindon bridge into the street below The locomotive and eleven cars were demolished. A cargo of export grain was spilled all over the street. Both engineer and fireman jumped.

Knights Templar, Attention.

As the Right Eminent Grand Commander of Knights Templar of North Carolina, Sir Knight, J.H. Hackburn, will pay an official visit to Ivanhoe Commandery, No. 8, on Wednesday, December 8th, at 7:30 o'clock, p. m., the regular conclave for December will be postponed until that time.

All Sir Knights will take due notice of the above, and govern themselves accordingly. JAS. D. GLENN, Eminent Commander.

BANK BREAKS AT MORGANTON.

It Was Examined in October and Was in Good Shape.

Raleigh correspondence Charlotte Observer says:

State Treasurer Worth was quite surprised today to receive a telegram announcing the suspension of the Piedmont Bank at Morganton. The last report to the Treasurer is dated October 15, and showed capital $20,000 surplus $10,000. Liabilities $100,000. The bank inspector says he inspected this bank late in October; that there was not much cash then on hand but that the employees at the State institutions had just been paid off; that there was plenty of good collatteral, bills receivable, etc., and that the bank was in good shape.

The first telegram to the Treasurer was from E. S. Walton, Deputy Treasurer, at Morganton: "Bank suspended. Take no action until you hear from me." Yesterday the State Treasurer sent Walton $15,000 to pay off the State institutions there. Walton telegraphs that he did not receive the money until today. Treasurer Worth says the State has only $439 in the bank. Walton telegraphed this afternoon: "Depositors agree upon a receiver. Attorney will go before Judge Greene. We are amply secured Will not lose a cent. Don't be uneasy," Treasurer Worth sent State Bank Examiner Stephen L. Crowder to take charge of the bank until a receiver is appointed.

CANDY FACTORY BLOWS UP.

Badly Scalding and Blinding the Employes.

By Wire to THE TELEGRAM.

New York, Dec. 3—A terrific explosion occurred in the candy manufactory of D. Aurbach, at 336 West 39th street, shortly before noon. Twenty-four men were scalded or otherwise injured. Six candy makers were blinded by the boiling syrup and five of them will never see again.

A hundred men were engaged in making Christmas candy and had a narrow escape.

SKINNER URGING BERNARD.

His Reasons for Pressing Him for Attorney for the Eastern District.

Special to the Charlotte Observer.

Washington, Dec. 2.—Representative Skinner saw the President today in the interest of C. M. Bernard and urged his appointment as United States attorney for the eastern district on the ground that the first district secured a delegation from North Carolina to the St. Louis convention and later the bolting Populists in the Legislature from that district secured Senator Pritchard's re-election to the Senate. The President assured Mr. Skinner that no appointment would be made in his congressional district without consideration of his wishes in the matter.

Senator Pritchard will not reach here until Sunday.

LAKE STEAMER BURNED.

The Egyptian Goes up in Flames on Lake Huron.

Harrisville, Mich. Dec. 2—The steamer Egyptian, bound from Cleveland to Milwaukee with a cargo of coal, burned to the water's edge in Lake Huron last night off Sturgeon Point.

The fire was discovered by the Sturgeon Point life saving crew about 8 o'clock, who started at once to the rescue, arriving at the burning boat at 11 o'clock.

On the way to the steamer the life saving crew passed a barge which had taken the Egytian's crew off, but the life savers continued on their way with the hope of being able to save the burning bulk.

There were twelve vessels around the Egyptian during the early part of the fire, but by the time the life saving crew had reached her they were all gone.

Without help of any kind at hand, the life savers were compelled to leave the Egyptian without doing anything after rowing about 35 miles in wea-th er near zero. None of the life savers suffered permanent injury from the cold.

THORN WAS VERY COOL.

Remarkable Nerve of Martin Thorn in Court,

HE DIES AFTER JANUARY TENTH.

Prisoners Capture the Jail--Condemned Murderer at Large--Erie Passenger Wrecked.

By Wire To THE TELEGRAM.

Long Island City, Dec. 3—Thorn before Justice Maddox without the tremor of a muscle listened to his sentence to die during the week beginning January the tenth. It was one of the most remarkable exhibitions of nerve by a condemned murderer ever seen.

The court room was packed and several of the jurors were present. Attorney Howe put no obstacle in the way of the proceedings. After they were over he presented an affidavit that Thorn's funds were exhausted and asked that the court appropriate money for an appeal. Thorn will be taken to Sing Sing late this afternoon or tomorrow.

CAPTURE THE JAIL.

By Wire to THE TELEGRAM.

Altoona, Pa. Dec. 3—Eleven prisoners in McKean county jail this morning overpowered the guards and took possession of the jail. They are now at bay behind barricaded doors.

TRAIN WRECKED.

HARD WORK TO HANG DURRANT.

Another Murderer Secures a New Lease of Life.

San Francisco, Dec. 2.—It is well nigh impossible in California now to hang murderer Durrant even if he has been convicted and sentenced. Durrant's repeated reprieves have gained national notoriety because of the enormity of his crimes. Now another murderer takes advantage of the same plea used by Durrant.

Joseph J. Ebanks, a murderer, of San Diego county, is now awaiting execution at San Quentin, but will not be hanged on next Friday because Judge Torrance of San Diego county acted too hastily in sentencing him to death, pending an appeal to the United States Supreme Court. Judge De Haven of the United States District Court granted today a writ of habeas corpus for Ebanks returnable tomorrow Ebanks' attorneys contended that Judge Torrance violated the United States laws in sentencing Ebanks to death when an appeal is still pending before the United States Supreme Court. His attorneys even declare he must be released.

WILL INVEST IN THE SOUTH.

Mr. Milliken, in Behalf of the Northern Visitors, Speaks of the South.

Chattanooga, Tenn., Dec. 2—The distinguished party of New York bankers, merchants and manufacturers, who have been making a tour of the Carolinas, Georgia, Alabama and Tennessee, were in the city today.

Mr. S. M. Milliken & Co., of New York, speaking of the results of their investigations, said:

"We have found the South a very inviting field for investment in the matter of cotton manufacture. You have the cotton at your doors and your labor is not so well employed as in the East. Besides this, your labor is the true article and therefore more contented, more tractable and willing to work for reasonable pay."

Mr. Milliken intimated that the result of their visit would be the expenditure of considerable money in cotton mills in the states visited.

Facts Worth Studying.

If the Southern Stock-Mutual pays no larger dividends than the 20 per cent. now paid, and the business increases during the next seven years in the same ratio it has increased during the last three years, the actual saving for the ten years to policy-holders in North and South Carolina will be $194,822.00, and to the policy-holders in Greensboro alone, $26,237.00. Besides this the Company's assets (reinsurance reserve and surplus) represented by still larger figures will be kept at home and invested in the state. What better investment can the public make than by upholding an institution like this?

A JORNALISTIC JOB.

Our good-natured, jovial, hearty, wholesouled, toothsome contemporary, the Winston Republican, without which our Thursday nights would be even as a desert in an oasis, shows signs of losing that sweet sanity, which has striped its hitherto career like unto the fleece of a Bengal tiger. All of this because the democratic press of the state has exposed certain features of the present order of things political and has respectfully declined to assist in whitening a malodorous and unseemly sepulchre.

The Republican chronicles the arrival of its "winter of discontent" thus:

"The Republican has, for months, patiently listened to the carpings, fault-finding and howling of the democratic press about the doings of the fusion legislature, about the lease of the North Carolina railroad, about the ignorance and incompetence of the anti-democratic officials in the state, about the corruption and mismangement of the penitentiary, the convict farms and finally about the shrubbery on the capitol square at Raleigh."

How can folks help talking (they need not howl) about the "doings of the late fusion legislature"? Are the "doings" not just lying around loose? Have they not been flaunted in the faces of quiet folks who only wanted to be let alone?

And then that lease! Have not the people of the state been treated to a most "bootiful" farce? Why, the company playing it have even appeared before a New York audience. Is that not a perfect sluce of glory for modest Tarheeldom? We pay for it of course, but who would dance without remunerating the piper?

But while all these things tended to puddle the limpid soul of the Republican it recalled that "virtue itself 'scapes not calumnious strokes" and corked its thunder. But when the "shrubbery on the capitol square" was dragged in by the roots it was too much. The Republican cried havoc. The brethren should have been more considerate. The subject of vegetation is sometimes a tender one. Besides the next democratic administration can plant a new lot of shrubs and before another fusion gang gets in they will be too big to pull up.

A conservatory of music has been established in the tenement district of New York to serve as a civilizer. We may now confidently expect an unprecedented increase in the number of homicides in the slums.

The fact that the democratic state committee orated until 1:30 a. m. shows it is composed of the same capable gentlemen who landed North Carolina in the republican column in the last campaign.

Richard Croker's recognition of Senator Murphy as leader of the state democracy of New York, it may be remarked, is not necessarily binding on either Senator Murphy or the democracy.

Some of our contemporaries are talking about Mr. Marion Butler resigning from the Senate of the United States. Mr. Butler resign? Not much! The only way he will go out of the Senate is on the toe of an outraged constituency at the end of the present term. Until then, brethren, possess your souls in patience. He may die or freeze to death in August; invent perpetual motion or cease for one brief moment to be a leather-lunged, golly-swashing "pass to noting" patriot, but he ain't no resigner. After all he hasd one his worst; there is some comfort in that.

We welcome to our desk the Morning Post, Raleigh's new daily, and bear testimony that we find much pleasure therein. It is neatly printed, newsy and well edited. It takes the New York Sun press service, has opinions of its own, apparently, and should make for decency and order in the state. May it emulate the bay tree.

The Crown Prince Constantine is going to print a book containing his experiences with the Turks in the late war. This, we presume, will be illustrated with pictures of how a Turk looks through a telescope from the rear end of a special train breaking the record toward Athens.

UNSUCCESSFUL TRAIN HOLD-UP.

Passengers on Mexican National Train Stand Off the Robbers.

St. Louis, Dec. 2.—A special to the Post Dispatch from San Antonio today says: Advices were received here this morning of an attempt to hold up and rob a passenger train on the Mexican National road near Montery, Mexico, by nine masked and well-armed Mexicans.

The passengers made resistance and the outlaws were unsuccessful. They are being pursued by soldiers, and if captured will be shot.

This is to Certify

that a few years since, while living in a malarial district, I suffered dreadfully with chills, which it seemed impossible to break. A friend urged me to try Mrs. Joe Person's Remedy. I did so, and by the use of a few bottles they were entirely broken broken, and I have not been troubled with them since. I also found it an excellent nervine.

HARRIS' LITHIA WATER

OF SOUTH CAROLINA.

Contains More Lithia than any Natural Lithia Springs Water on the market. There are a great many so-called Lithia Waters on the market whose analysis show that they contain only traces of lithia. It seems that if you wish a Lithia Water you should examine the analysis of the waters and find out how much they contain. The analysis of Harris Lithia Water was made by the noted R. Ogden Dosemus, M. D., LL. D., Professor of Chemistry and Physics, College City, of New York. If the Harris Lithia Water is not superior to any other water on the market, do you think that the following noted physicians from all parts of the country would give their testimonial, stating that it was? They have no interest in the Harris Lithia Water.

After a long and varied experience in the use of mineral waters from many sources, both foreign and domestic, I am fully persuaded that the Harris Lithia Water possesses efficacy in the treatment of afflictions of the Kidney and Bladder unequalled by any other water of which I have made trial.

This opinion is based upon observation of its effects upon my patients for the past three years, during which time I have prescribed it freely and almost uniformly with benefit in the medical maladies above mentioned.

Columbia, S. C., Oct. 8, 1892. A. N. TALLEY, M. D.

Mr. J. T. Harris:—Dear Sir: I have found the use of the water from your Lithia Spring in South Carolina so efficacious in the case of a young lady patient of mine, who has suffered for years with Diabetes, with all its different attendants, that I want to add my testimonial to the many you already have. The patient I refer to has used the water freely at home for scarcely a month now, with more beneficial results than from months spent at the different noted lithia springs in different parts of the United States, besides long continued use of the same waters at home. Others of my patients and friends are now using the same with best results. I cordially recommend it to all suffering from similar diseases. Very respectfully yours,

THOMAS S. POWELL, M. D., Pres. Southern Medical College, Atlanta, Ga.

Read what Prof. Jos. Jones, of Tulane University, of New Orleans, has to say in regard to the virtues of Harris Lithia Water:

New Orleans, La., Aug. 13, 1894.

Harris Lithia Water Co., Harris Springs, S. C.:

Gentlemen—I have used, with great benefit, the case of water sent me, and regard it with favor, being highly charged with Lithia.

Respectfully, JOS. JONES, M. D.

June 12, 1893. Mr. J. T. Harris, Harris Springs, S. C.:

Dear Sir—I have used the Harris Lithia Spring Water for the past year in all renal troubles, with prompt and efficient effect. In gouty and rheumatic troubles I consider this water superior to the Buffalo Lithia Spring water. I suffered from an attack of rheumatism for eight months, during which time I drank the Buffalo Lithia water constantly for four months without effect. In November last I had a case of Harris Lithia Water sent to me, and after drinking it for about three or four weeks, the pain and stiffness left my limbs and I have not been troubled since. I feel that I can safely recommend the Harris Lithia Water. Respectfully,

Savannah, Ga. R. B. HARRIS, M. D.

"The Harris Lithia Water is, in my opinion, unexcelled for those ailments requiring the salts it contains. THEO. LAMB, M. D.

Professor Diseases of Chest and Principles of Medicine, Medical Department, University of Georgia.

Asheville, N. C. April, 24, 1893.

An extended clinical use of the Harris Lithia Water prompts me to the statement that I regard it as one of the best, if not the best Lithia Water known to the profession. In the condition of Phosphatic Urine, its action is marvelous. Its use in the Rheumatic and Gouty Diseases afford me more comfort than either the Buffalo or Londonderry Waters. Very truly yours,

JOHN HEY WILLIAMS, M. D.

Atlanta, Ga., April 20, 1897.

I have used for sometime Harris Lithia Water in my family, and also with my patients, and find it is the best Water I ever used in catarrhal condition of the urctus and bladder. It is also a good diuretic Water.

G. G. ROY, M. D.

Charleston, S. C., Sept. 20th 1893.

Mr. J. T. Harris:—Dear Sir: I am constrained to send you this testimonial of the efficacy of the Harris Lithia Water. The value of the testimonial may be enhanced from the fact that it goes to you unsolicited. As a friend of humanity, I feel bound to withhold my knowledge of its virtues no longer. I have been using the water for more than a year with marked benefit. To any one troubled with kidney disorder, it is the remedy par excellence. I prefer it to the Buffalo Lithia Water. Very truly yours,

A. C. KAUFMAN,

President Vanderbilt Benevolence Association of Charleston, S. C.

Mr. J. T. Harris, Proprietor Harris Lithia Springs:

Dear Sir—While it is contrary to my custom to give testimonials to remedial agents, I feel free to attest to the efficacy of the Harris Lithia Water (when used in large quantities) in the Rheumatic and Gouty Diatheses; in Inflammation of the Bladder, and in all cases where there is an excess of solids in the urine. Yours respectfully,

Columbia, S. C. GEO. HOWE, M. D.

The waters of the Lithia Springs are odorless, free from color, with a pleasant saline taste, rather palatable. When taken in considerable quantity, they do not nauseate, purge or produce any feeling of discomfort. I find from the analysis of the waters, they contain Chloride Sodium, Carb. Potash, Carb. Soda, Carb. Lithia, Carb. Iron and Sulphate Magnesia. These waters act directly upon the mucous coating of the stomach and alimentary canal, they are powerfully alternative and tonic. They are everything to inflamed or irritated surfaces. They act upon the blood, changing it from acid to alkaline. In Indigestion, Catarrh of Stomach and Gastralgia, supplemented with a proper diet they are a certain cure. The action upon the kindneys is marked. The Sodium, Potash, Soda, Lithia, are the best solvents of uric acid, all calculi of an acid character, whether litary or cystic, are steadily dissolved. I am confident that the profession will find it very useful in cases where this class of water is required. Respectfully,

Walterboro, S. C., April 19, 1892. J. Q. WILBUR, M. D.

Camden, S. C., Aug 24, 1893.

Mr. J. T. Harris: Dear Sir: I enclose you in this letter several small pieces of calculi passed by a patient of mine, who has been taking the "Harris Springs Water" for the past eighteen months. This gentleman has been a sufferer for two or three years with Cystitis, caused from stone. The solvent power of the water has been, I think, clearly demonstrated in this case. All these fragments were passed in two evacuations from his bladder in the past ten days. I consider Harris Spring Water a most excellent remedy in the Uric Acid Diathesis, also in Chronic Dyspeptic troubles.

I am, yours respectfully, A. W. BURNET. M. D.

Chester S. C.

Dear Sir: For the past eight months I have been using Harris Lithia Water with the most excellent results, where I have been able to get my patients to drink a sufficient quantity daily. The carbonated has no equal in Gastric disturbances. It is an excellent table water. It is a pleasant laxative, and is a sure cure for flatulent dyspepsia. S. M. DAVEGA, M. D.

Atlanta, Ga., April 24, 1897.

Mr. J. T. Harris, Harris Springs, South Carolina:

Dear Sir: I have found Harris Lithia Water an exceedingly valuable remedy for persons suffering from Kidney and Bladder Troubles. Therefore take pleasure in recommending it. Respectfully,

JAS. F. ALEXANDER, President Board Health.

Baltimore, June 24, 1896.

J. T. Harris, Esq., Harris Spring, South Carolina:

Dear Sir: I have been using Harris Lithia Water for sometime, and I will say to you that in my opinion that the Harris Lithia Water that is by far the best Lithia Water that I have ever used, and that it has done me a great deal of good, and I think it a most valuable remedy.

R. C. HOFFMAN, Pres. S. A. L. R. R.

Atlanta, Ga, April 20. 1897.

Harris Lithia Water Co.,

Gentlemen:—I have used Harris Lithia Water for the past two years and find it a most excellent remedy for dyspepsia and other stomach troubles. I cheerfully recommend it CHAS. M. NEEL, Pres. Ga. Military Institute.

A Fair Proposition.

We will guarantee that one glass of HARRIS' LITHIA CARBONATED WATER will relieve any case of indigestion in one minutes' time or money refunded, or if taken after each meal will cure the worst case of indigestion. You know that the noted Dr. Davega, of Chester, S. C., has to say in regard to it, and there is not a physician in South Carolina who stands higher in the profession than he does, and besides you lose nothing by giving it a trial, as our agents are authorized to refund the money to any responsible person who will not admit that he was benefited by it.

A STAMP WITH EVERY DRINK.

Postmaster in Trouble Through His Novel Plan.

Cleveland, Dec. 2.—Philip German, the postmaster at Frances, a little town in Van Wert county, this State, is a man of enterprise according to the United States authorities, who yesterday arrested him on a charge of violating the internal revenue laws. The charge is retailing liquor without a license.

German's salary is dependent on the quantity of business done at the office, and as normally it was small, German, it is alleged, hit upon the scheme of giving a postage stamp with every drink and a drink with every ten stamps purchased. German was taken before a United States Commissioner and held in $300 bond.

HE HAD KILLED 18 PERSONS.

But Gustave Muller Has been Adjudged Insane and Not a Murderer.

Rotterdam, Dec. 2.—Gustave Muller, the watchmaker, who in October confessed that he had killed eighteen persons, and who at the time of his surrender to the police, pulled from his pockets four ears to prove that he had killed his wife and child, has been acquitted of the charge of murder on the ground of insanity. The Court ordered that he be confined in an asylum.

A Buck Keeps Pace With the Train.

Port Jervis, Dec. 2.—Charles Hulshizer, an Erie Railroad engineer, of this place, who runs one of the fastest trains over the Delaware division, had an exciting experience yesterday in a three-mile race between a deer and his engine, No. 117. Just as his train bowled into Shimer's Cut he saw a noble buck standing on the railroad bank in advance of him. As the train reached the animal it started to run. Hulshizer let out his engine, but the deer kept fully twenty yards ahead of him and for three miles kept up a pace equal to the train, and finally jumped from the track, gave a snort, and disappeared in the woods.

Bismarck's Speech Out.

Berlin, Dec. 2.—Prince Bismarck, in the Hamburger Nachrichten, commenting upon the alleged intention of the United States to interfere in Hayti, says: "We deem it a political necessity to oppose this American arrogance often and emphatically and certainly when directed against Germany. Of course nobody in Germany dreams of annexing Hayti, but we hope to induce the government to energetically demand the necessary satisfaction, in the shape of damages, and to enforce this by proper means."

There is nothing just as good as Dr. King's New Discovery for Consumption, coughs and colds, so demand it and do not permit the dealer to sell you some substitute. You want Dr. King's New Discovery because you know it to be safe and reliable, and guaranteed to do good or money refunded. For coughs, colds, consumption and for all affections of throat, chest and lungs, there is nothing so good as is Dr. King's New Discovery. Trial bottle free at C. E. Holton's drug store. BRIEF LOCAL MATTERS.

Concert at the Normal College this evening.

Col. S. H. Boyd has moved his office from room No. 5 to room No. 6 in the Katz building.

Fields & Mason's Minstrels are billed to appear at the Academy of Music next Wednesday night.

Mrs. B. Frank Mebane returned today from Raleigh, where she went to attend the Tucker-Williamson wedding.

If you like good music you will have an opportunity to hear the best at the Concert at the Normal College this evening.

The W. G. Mebane Company advertisement in The Telegram gives you a pointer as to the matter of Christmas presents.

Young men, if you are going to give your lady friends a box of candy Christmas, read what Andrews says about Gunther's.

Dr. W. J. Richardson went to Richmond today for treatment at the Richmond Medical College. We hope he may soon recover.

The Frances Hughes Concert Company who will appear tonight at the Normal and Industrial College are stopping at the Benbow.

Fisblate-Katz-Rankin company have covered a portion of the bill boards between the McAdoo and Odell's with handsome posters, advertising clothing and hats.

The numerous friends of Rev. Dr. L. W. Crawford will be glad to hear that he is improving. While he is yet very weak, his condition is thought to be very much improved.

The new quarters being prepared by the photographer, Alderman, on East Market street, has been ornamented with a pretty and attractive sign extending across the top of the building.

The grocery and supply store of T. M. Pickard & Co., on the corner of North Elm and East Market streets, is full of choice eatables. They have taken space on The Telegram to tell you some of the many good things to be found there. Read it and go to see them.

J. M. Stephens, of Sanford Broom Co., Sanford, N. C., spent last night in the city. The factory has been running only a short time but he says the business is starting off well, and will be vigorously pushed. These are the kinds of enterprises to stand by and set up with. They improve the country, and each business of this kind is a chip which will help to stem the tide of money which has for too long been flowing from the South.

The petrified woman is on exhibition in the building just south of Hotel Clegg. A Telegram man has seen the wonder and a wonder it is. The body of a woman turned into stone, perfect in outline and feature. A look, it would seem is sufficient to convince any one that the specimen is genuine. It is worth double the admission price charged to see it. Mrs. E. J. Taylor entertains callers with a careful explanation of the specimen which is highly instructive.

PUBLIC LIBRARY MEETING.

Everybody Invited to be Present Next Tuesday Night.

Let everybody attend the library meeting in the courthouse next Tuesday evening at 8 o'clock. Greensboro needs a good library, and must have it or fall behind other towns in the State. Now is the time to begin to work for it, as an opportunity is now offered to secure a good home for the library at small cost. Let everybody interested in the welfare of Greensboro and its higher interests turn out Tuesday evening at the ringing of the bell.

Found a Check.

Some time ago a safe was sold by the Hall-Herring-Marvin Safe Co. to a party at Sanford. Not being taken by the consignee the safe was turned over to the railroad there and was used by them for awhile.

A day or two ago Mr. R. L. Woodard, the Southside hardware man, bought the safe and it was shipped to him. On opening the safe he found a pocket book and a check for over one hundred dollars, drawn by the railroad company and accidently left there. The check and book were promptly returned to the owner.

Beg Pardon.

For some days the city editor has been going about with his head bowed down, afflicted with a boil on the back of his neck, consequently has not been able to look up much to see what was going on. Last evening, being able to make an upward turn of his head, he spied what at a glance looked like show bills, or a street parade of a minstrel company in full dress. It turned out to be the advertisement of C. M. Vanstory & Co., showing a varied line of suits, overcoats and hats. It is on the bill board on South Elm, just below Sycamore street.
